There are few things more difficult than dealing with the loss of a loved one. I am honored that you have chosen our family to care for your family during this time. Please let me know if there is more we can do to help celebrate your loved-one's life.

My Warmest Regards,

What great times we had growing up! We played ping pong, fished, and played lots of games. I will miss my friend, but I know where she is. She is hugging her mom and dad and spending time with Jesus. She is enjoying her new home! I will see you again someday and what a great reunion.

We called each other “OIAL” (Once In A Lifetime). I will miss her so much. My heart hurts for all of you.
